Illinois. Current NRI President

NRI Origins - 1980s

- In early 1980s, NIMH (before NIMH split from SAMHSA) funded NASMHPD to undertake a series of data studies
- NASMHPD convened a group of SMHA Commissioners that discussed roles/functions of a separate research organization
- In 1987, NASMHPD Commissioners incorporated NRI as a separate 501c3 not-for-profit organization to conduct research and data collection focused on SMHA systems
- 1989 First NRI Executive Director, Noel Mazade

NRI Origins -1990s

- SMHA Revenues & Expenditures Study; State MH Profiles
- Convened Annual State MH Research Conference
- NRI's staff worked on joint NASMHPD/NRI President's Task Force on Mental Health Performance Measures
 - Identified major domains/measures relevant to State MH Systems
- NRI staff worked for NASMHPD and SAMHSA to define reporting and Performance Measures for Mental Health Block Grant (MHBG)
 - 16 State Study conducted the first multi-state analysis of premature mortality among SBHA Consumers (25 years life lost)
 - 16 State Study led to the CMHS Uniform Reporting System in 2000s

NASMHPD Annual Meeting 1996

Tipper Gore, Keynote Speaker

NRI Origins - 1990s (cont.)

- Development of a performance system to meet The Joint Commission's new ORYX requirement for inpatient psychiatric facilities - **Behavioral Healthcare Performance Measurement System (BHPMS)** developed by NRI with SBHA support
- NIMH Grant - Post-Doctoral Fellows Program: 1990s-early 2000s
 - Placed Post-Doctoral Fellows in SMHAs for 1 yr. to help translate research into practice
- Research Infrastructure Support Program: 1998-2003
 - NIMH Grant - Howard Goldman, M.D., Ph.D. worked with SMHAs to facilitate multi-state research
 - Placed Ph.D. level researchers at NRI to collaborate with states to conduct work on Older Adults, Evidence-Based Practice and Outcome Measures

NASMHPD 2002 Annual Meeting - NYC

NRI Origins - 2000s (cont.)

- Other State Agency Study (2002-2009) - SAMHSA funded: NRI developed and piloted an approach to document mental health expenditures and services of Other State Government Agencies
 - Focused on 10 other major state agencies (Medicaid, Corrections, Education, Vocational Rehabilitation, Child Welfare, Juvenile Justice, TANF, Housing, Transportation, Substance Abuse)
- NRI's Center for Mental Health Quality and Accountability (CMHQA): (2002-2006)
 - Developing and transferring knowledge related to EBPs and their implementation: 6 Adult MH EBP Toolkits & identification of EBPs for Children's MH
- Olmstead–Community Integration State Self-Assessment Pilot Project: 2012 - 2014

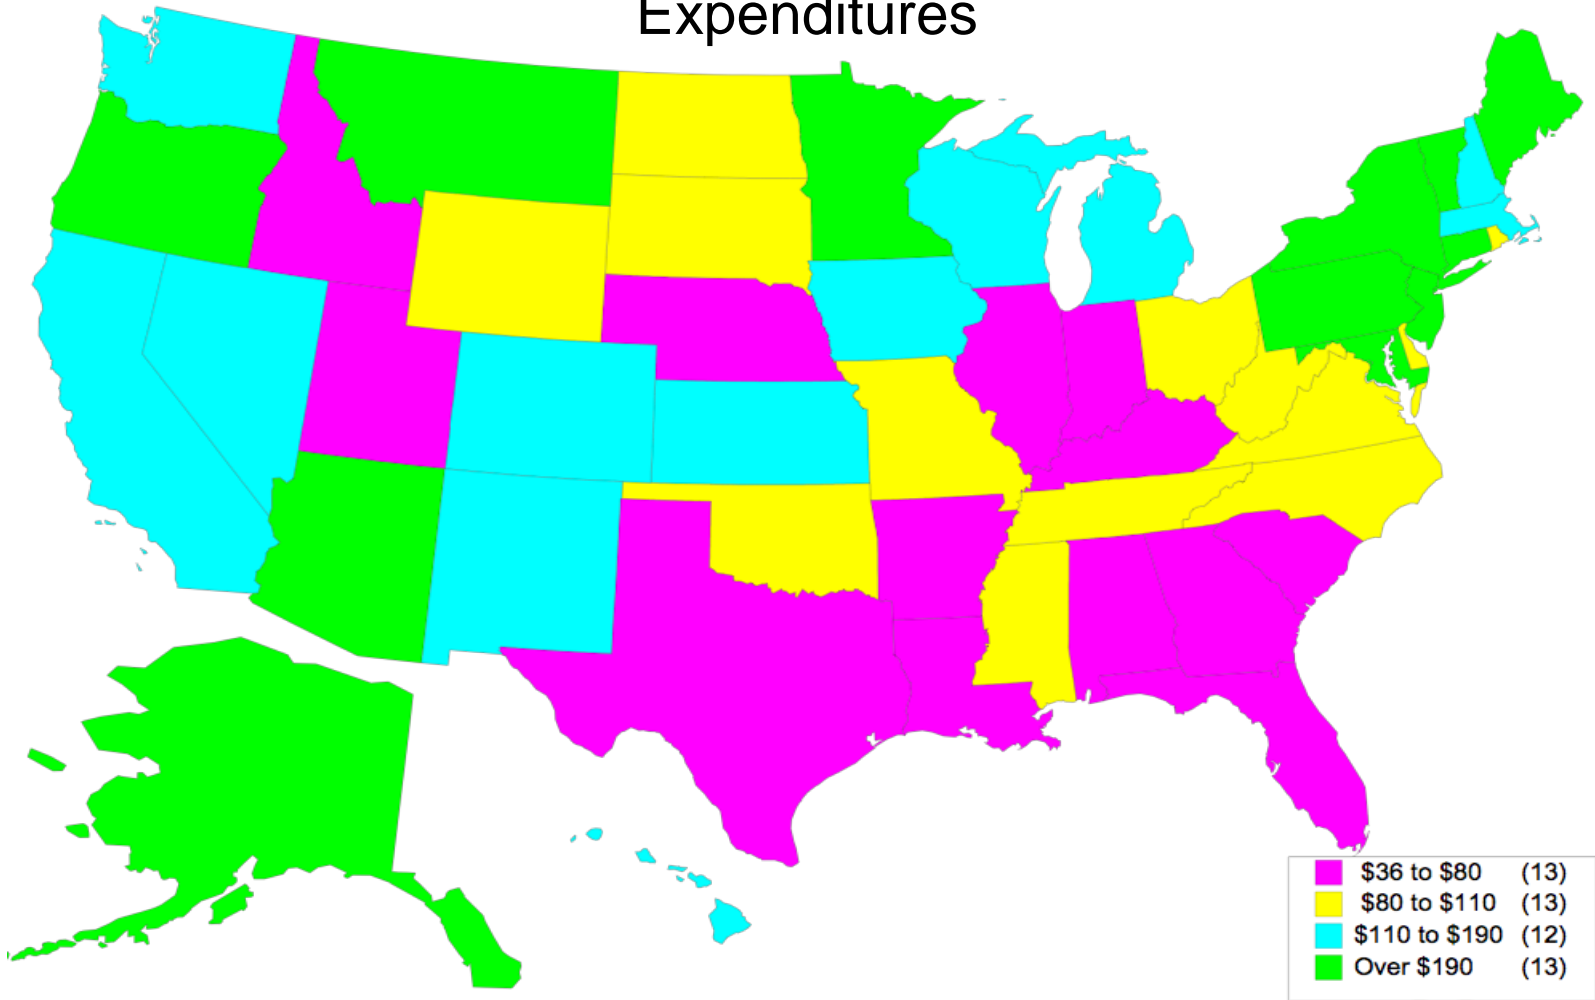

Values, Vision & Mission

- **Values:** Lack of bias, Life enhancing value, Insight
- **Vision:** No person's life will be limited by mental illness or addiction
- **Mission:** NRI products and services support and enable actions that improve mental health and wellness

Current NRI SBHA Programs/Projects

- Behavioral Healthcare Performance Measurement System (BHPMS)
- State Profiles
 - Online searchable database at NRI: <http://www.nri-incdata.org/>
 - SAMHSA Publication: **Funding and Characteristics of State Mental Health Agencies**
- SBHA Revenue & Expenditures Study - since 1981
 - Documents historic shifts from State Hospitals to Community care
 - Increase in Forensic/Sex Offender Expenditures within state hospitals
 - Large Growth in Medicaid as Funding Source
- Special Studies for NASMHPD

Total FY 2015 SMHA-Controlled Per Capita Mental Health Expenditures

Blue	\$36 to \$80	(13)
Orange	\$80 to \$110	(13)
Green	\$110 to \$190	(12)
Red	Over \$190	(13)

Current NRI SBHA Programs/Projects (cont.)

- URS/CLD - Facilitate SMHA reporting of the MHBG Annual Implementation Report due by December 1st each year
 - Produces SAMHSA MHBG National Outcome Measures (NOMS)
 - 2 Sets of Data submitted by SMHAs each year:
 - URS (22-aggregate Tables)
 - MH-CLD (de-identified client level data)
- SAMHSA has announced intent to develop a single Integrated MH & SA reporting system for State Client Level Data
- Olmstead - help states conduct Olmstead Self-Assessments

Current NRI SBHA Programs/Projects (cont.)

- State Projects last 4 years
 - Mortality Studies
 - Analysis of State Public Psychiatric Hospital System
 - Custom State Analysis and Testimony
 - State Behavioral Health System Analysis
 - Custom State Analysis of Contiguous States
 - Analysis of County Based Behavioral Health System
 - State Behavioral Health Funding Study
 - Data Integrity Review of State Psychiatric Hospital
 - State IT Behavioral Health System

Current NRI SBHA Programs/Projects (cont.)

- State Projects last 4 years (cont.)
 - State Behavioral Health Funding Study
 - Data Integrity Review of State Psychiatric Hospital
 - State IT Behavioral Health System
 - CO, DC, IL, MO, NE, OH, TX, VA, WA
- New Mental Health/Criminal Justice Research Center
 - Purpose: Develop the NRI Mental Health/Criminal Justice Research Center (MH/CJ-RC) to provide analytics of mental health and criminal justice data to provide unbiased insights to enhance lives through improved policies and operational efficiencies of state public health agencies
